

MISSING NAME (AW)

My first time being at a waterpark

When I went to the water park it was Kalahari but it all started at home at the apartment packing what we were packing is two pairs of clothes and shoes and bavingstse after that nite. it was morning!so we woked up and ate breakfast and we hit the road it took us 2 houwers to get thar so we went inside then we got inline behind the person that we saw we were waiting for ower turn so when we got are shined room we had to what so dad went to the car and we went to eat lunch it was good food.

Next paragraph-----when we got in are room we were getting in our we went swimming it was fun we went on water slides and we had snacks and that was it we ate dinner fish shrimp pasta and after we went in ower room and we watch a movie and we went to sleep. The end
