

"UUUGGGGGGGGGGGGGGGGGGGGG" I said eating my disgusting middle school lunch food. "What's wrong May?" asked Jack. "Nothing, just the lunch food. And today is the worst..... meatloaf." " You know it's not that bad." " Well that's because you eat everything and I mean every thing." "Well it's not my fault, we come from a family of big eaters." "Yah, yah, I know." After a few minutes later My friend Stacy gets up and says "I think we should make change," "Like what?" I ask. "Like maybe, we should sneak in after school and put all the disgusting food on the lunchroom walls." "Um, I like that idea but if we get caught we would be ing BIG trouble." "And that's ONLY if we get caught." she replied. "Yeah, Maybe That is a good idea." Jack said. "Ok then Let's meet here at nine ok?" Jack and Stacy agreed. "But we are going to need some companions. Who should we ask?" asked Jack. "Well,maybe Martin." Said Stacy. "Yeah" I said. "Ask him and if he says no make sure he tells no one." "ok." And that's when we set off.

9:00 pm

"Well what did he say?" "Well, he said no. He was too scared of getting caught but I did take care of him not telling anyone." "Really, What did you do?" "I threatened to let our cat destroy his Xbox." "Nice." I replied back. The closer and closer we got to the school my heart pumped faster and faster. Jack opened the door to the school and we rushed in. When we were all inside I thought I heard someone locking the door behind us but I didn't think anything of it. All I was thinking was get this done and get outta here. We got into The lunch room as quietly as we could, but with only one flashlight we bumped into stuff. When we got behind the counter of the lunch room we gaped all the food we could find and splashed it on the walls, and pouring it on the floor. It was awesome!

After all that komotion we dashed for the door. When we got to the door we came in from, it was locked! Just then we rushed for the back door.....it was locked too! That's when we were really scared. "HELP" Stacy screamed but Jack shut her up."We don't want to draw attention." he said covering her mouth. After a few minutes of silence we heard a giggle followed by more

and more giggles until it shut off." Great as if we weren't scared enough." I thought to myself. Then Jack said "Well ummm.....Let's stay together and umm....." "WOOF WOOF WOOF!" "What, how is a dog in here!?" I said. "I don't know? Maybe it was in here the whole entire time." replied Stacy. "I don't think so, we would have heard him by now." After a few minutes of playing with the dog I thought about something. "If all the doors are locked mabe the dog might know a way out!"

I said to everyone. "Yah, it might work." Said Jack. "Here, boy here boy, can you show us the way you came from?" "I don't think he knows english, you barely know it yourself." Said Stacy. "HeYY" "Guys stop it. This is not the time to be arguing." "yah" replied Jack. Just then the dog started to walk. "Follow Him!" said Stacy We followed the dog around the school for about five minutes, but to me It felt like 50 minutes the way the dog was walking. We went into the office where the pa was, and as soon as we got in the room the dog suddenly stopped and started to bark. I could feel the goosebumps up my arms. "What is it boy? Asked Jack. "I-I think there's someone there." I said. The man in our path was not tall but was still scared. "It's about time, don't you think Stacy?" Just then the man stepped forward and turned on the flashlight. "Martin!" we all said "Ha ha ha you guys were so scared!" "That's not funny!" replies Stacy "y-yes it is" "no it's not." "Well at least I'm not sneaking into a school after hours." "ok, ok now can we please get out of here."

AFTER ALL THIS:

I got home without my parents not knowing about the "school break in" at all. Well, for at least for tonight. The next morning at school of course we got busted and we got more punishments than we could handle. We had a 3 day suspension, detention for a week, and we had to clan up the lunchroom after lunch for this week too.

I learned my lesson quick and I promised that I would never sneak into school again.
