

Getting Lost In Dave In Busters

By:Corey Pittman

One day, my Mom wanted to do something fun in life. My Mom was asking everybody in the house what they wanted to do. My sister, Makayla wanted to go to Airtime. My dad was so lazy that he just said he wanted to stay home and relax. But I was thinking that we can go to Dave In Busters. Makayla was not that happy about going to Dave In Busters but she still wanted to go.

When we got to Dave In Busters. I was so excited. The last time I went there it was this one game that was my favorite. I forgot what it was called. But it was about sports. And I love sports. I wanted to play it so bad but my mom said I had to wait. After I got the card for I can play the game,I ran to the game. My dad was so slow that I had to wait for him though. I wanted to play that game all day but I couldn't.

A couple hours later my dad said we had to eat some food. I wasn't that hungry but I still went to go eat some food. After I ate my food I ran back to the game. My dad didn't come with me because he was still eating. I had to wait a little bit because somebody else was playing. After the person was done playing I started right away. I played for like 10 minutes. I was getting bored so I went back to sit down with my family. Suddenly,I looked at the table and they weren't there. It was like they disappeared. I was only 7 years old so I didn't have no phone to call them. I was so scared I didn't know what to do. Will I ever find them again!
