### **Trip To Ohio**

**On a sunny Saturday morning, I got out of bed and got ready for going to a fun camp in Ohio with a friend named Zion and his family. Zion is the same age as me, and we are interested in almost the same things. After I was done, I said bye to my family and walked out of the house, and on the porch.**

**Right when I stepped off the porch, Zion, his sister Anesia, and his mom Khalia greeted me and I said hi back. Once we were in the car, me and Zion played on his computer and got snacks at the gas station before we went to Ohio. When we arrived, I got out of the car and I was excited because the camp looked very cool.**

**After me and Zion's family were done exploring the camp, I met Zion's cousins and we got a cool cabin next to other peoples cabins. The next day, me and Zion did so much stuff. We went on a giant trampoline with some other kids, played in a pool, ran around on a big jungle gym, and played football.**

**The next day, me, Zion, Zion's family, and Zion's cousins went canoeing. I was kind of scared but when we got life jackets, I was less scared. After about 15 minutes of exploring, we found a big sturdy tree branch and jumped off of it into the water and it was so fun. When we got back to the cabin, we took a shower and ate food. Finally, when it got dark, we roasted and ate marshmallows. After that, Zion's mom took me back home to Michigan and I had a great time.**
