

Beat up

Well when i was in 3rd grade this boy name licks and he socked me in my face. The i got mad and told my mom i stared to cry and he look like a freshfry. Then the next day i started to fight him he socked me then i got back up and slaped him in the face then my fridens brock it up. After that i went home and i cryied in my room bec he beat me up. Then the next day i woke up and went to school and i went to class and leard about something.

Then i went to a new school then mom asked me she said u will like your new school theni said ok then she drouped me off at school and i went to the class room and every one looked at me then i took a set the end!!!!!!!!!!!!!!
